IEEE????(Virginia Tech?????????????????)

Prof. Jih-Sheng (Jason) Lai , Virginia Polytechnic Institute and State University

?????(IEEE Fellow)??h-index?63???116??????285??????2? ???????25 ????????????????????????? (Virginia Polytechnic Institute and State University)????????????????????????(DOE) ????????Electric Power Research Institute (EPRI)?Power Electronics Applications Center (PEAC)?????IEEE Fellow, 11? IEEE????????2????????, 1995??????????(Lockheed-Martin Technical Achievement Award)?2016 IEEE?????(G. Kliman Innovation Award)??IEEE Journal of Emerging and Selected Topics in Power Electronics??MDPI??????????? ????2011?????????????????2013?????????????2016?Google Little Box??????

Course Title

Power Electronics for Renewable Energy and Micro Grid Applications?????????????????, ????)

Lecture time

November 19 - November 21, 2017
November 19 (9:00-17:00, Sunday)
November 20 (9:00-17:00, Monday)

November 21 (9:00-17:00, Tuesday)

Classroom

???????????????(???????????)?

Registration
